THE STORY

Fine Talents Bloom Forth

8

Art comes in many shapes, sizes, and forms, but it all begins with imagination and creativity.

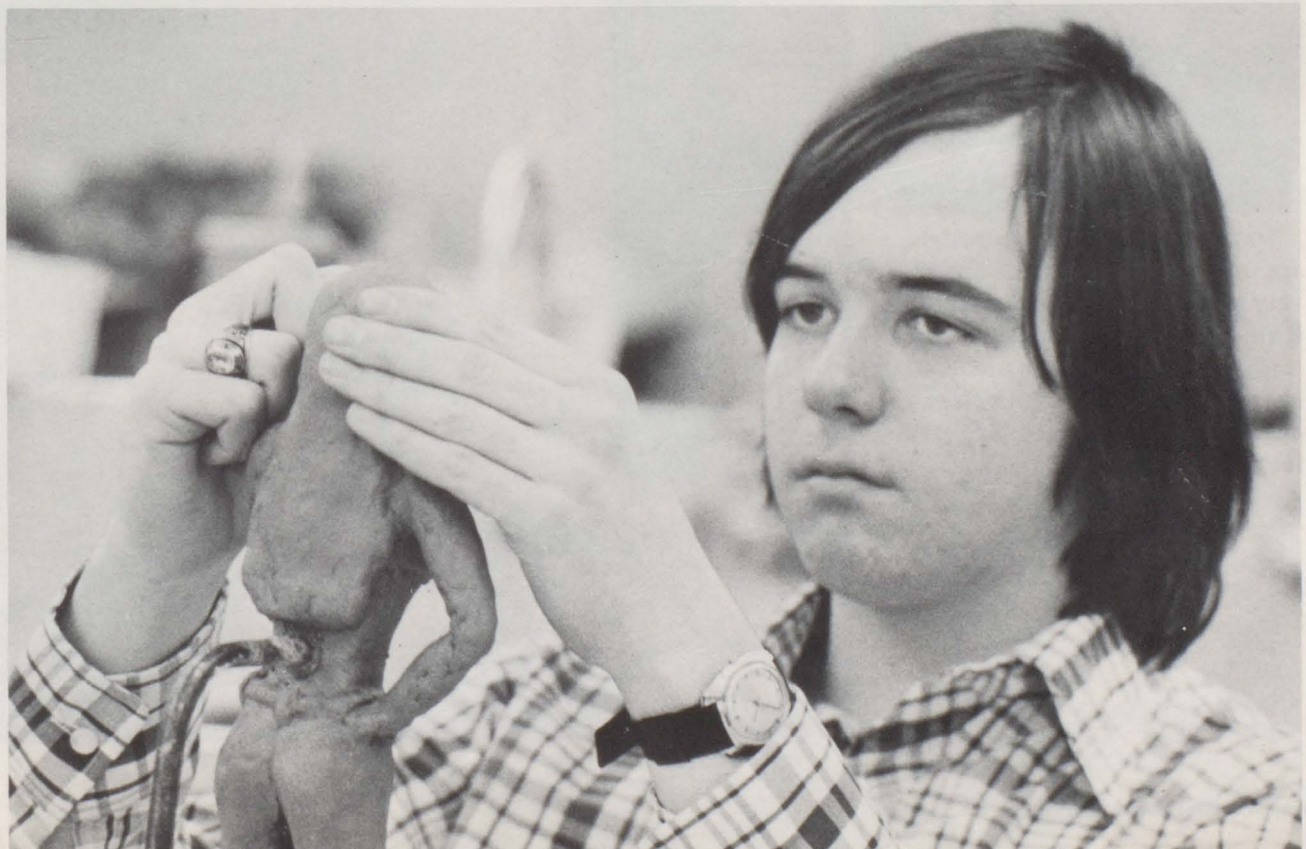

These things inspired Mrs. Perret's students to design their warp and weave their own fabrics.

Other projects during the year were: pottery, rug hooking, macramé, clay works, sculpture, oil and water painting, papier maché.

The students had a chance to display their talents in the world of arts at the St. Clair Mall.

9

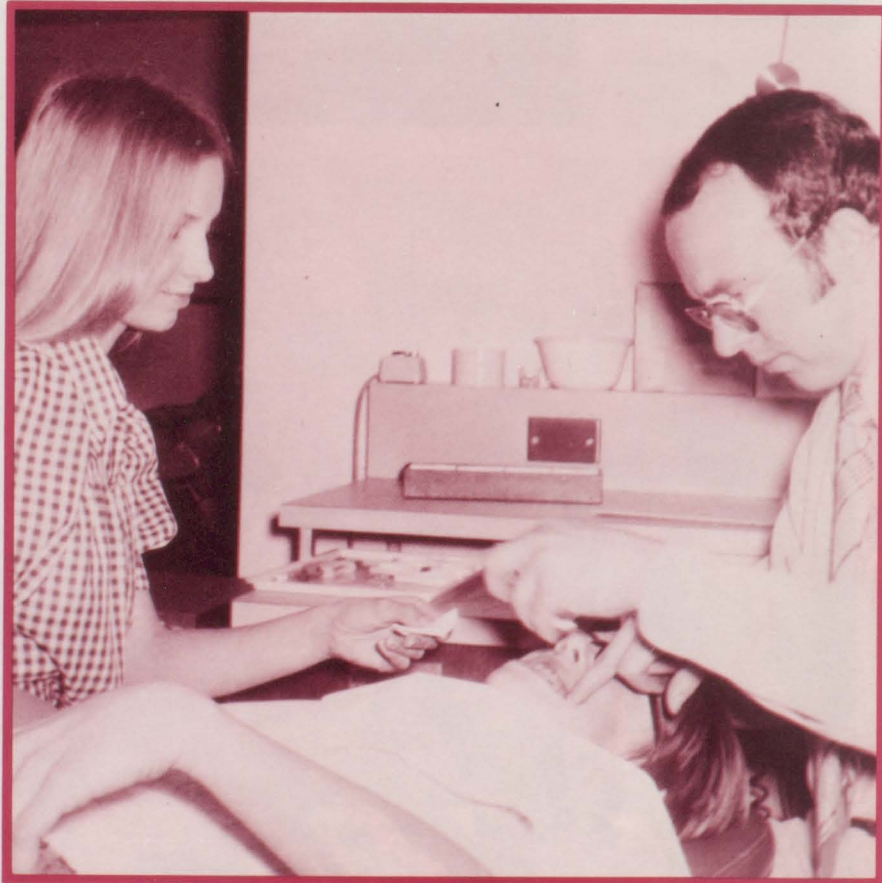

Students Get Head Start

10

Many students at St. Clair High are involved in Day Trades and are very thankful for this opportunity to learn a trade. They not only learn a trade but they go out and use that knowledge in CO-OP. Both classes are a great help in developing skills for future jobs.

*Business
Builds
Knowledge*

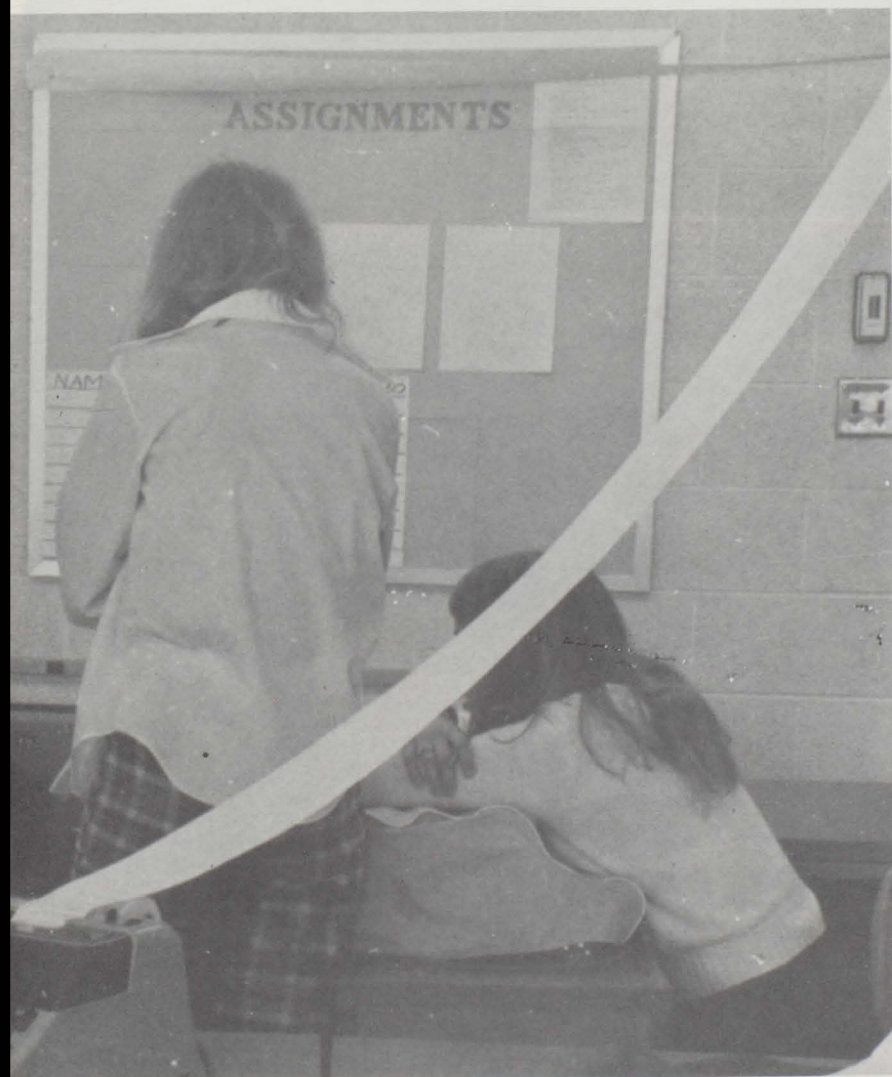

This is a department that is growing fast. In the past few years there have been more classes offered and more students taking them.

Business is an important part of today's world and the business courses are not only for girls. Typing is almost a necessity for college and shorthand always helps when taking notes. Other courses are offered such as Record Keeping, Accounting, S.O.E., C.O.E., Business Law, Business English, and Co-op.

LOWER FAR RIGHT: Chuck Currier and Lynn Pieprzak model a tuxedo and wedding gown.

a Touch

15

Clerical Office Education and Secretarial Office Education proudly presented "a Touch of Style". The style show was a result of the Charisma program. Mr. Tharrett and Sondra Cawse took the time and the responsibility to help the students work for perfection. The commentators were the instructors of the Charisma program, Penny Dresser and Gloria Totten.

Without the help of these stores, it would not have been possible. Collin's provided the use of the shoes, Silk's gave the flowers, and Thompson's loaned the artificial trees for the evening. Lott Anter supplied the tuxedos; Dancer's Fashion, Hers, Farmer's Daughter, and Pois'n Ivy provided the clothes for the girls to wear in the style show. Mr. Tharrett hopes this will be an annual event with as much success.

Blood Bank Established at St. Clair High School

The SCHS blood bank began February 19, 1975, through the effort of Joe Garret and the Student Council. In all, 56 students and staff members signed pledge cards to donate blood but only 46 were allowed to give blood. This program was very successful and will be continued in the fall with another blood drive to replenish the supply.

HOMECOMING IGNITES PARTICIPATION IN EVERYONE!

60

Although Homecoming only lasts a single weekend there were many moments of joy and many tears shed for three lucky girls chosen to represent SCHS for 1974 Homecoming Queen. This was not only a special time for them but also for the court.

Connie Hines was chosen 1974 Homecoming Queen.

Finally halftime ceased and once again the football game dominated our attention. The Saints' football team won a big victory against Algonac 21-0. But this was only part of the excitement, for there was a celebration after the game in honor of Queen Connie and our exciting victory.

St. Clair Hosts Two Foreign Exchange Students

Denise Campla, age 15, is from Santiago, the capital of Chile. At her home in Santiago, lives her father and older brother.

Denise enjoys skiing and playing the guitar in her spare time.

She spent this year with the host family of Gerald Strutz.

62

Sonne Petersen, age 17, is from Kiel, Germany. At her home in Kiel, lives her father, mother, younger sister, and younger brother. She has two older brothers who live in West Berlin.

Sonne enjoys playing the guitar, painting, skiing, bicycle riding, and playing volleyball.

She has spent this year at the home of Donald Clements.

SEVEN STUDENTS TRAVEL ABROAD

Youth for Understanding (Y.F.U.) is a program that enables our students to travel and reside in a foreign country during the summer months. The students not only experience a culture and language change, but become more understanding of people and develop a broader outlook on life.

The 1974 program had one of the largest number of eager participants. Joan Rife and Sally Erickson traveled south of the border to Mexico while the five other students journeyed to Europe. West Germany seemed to be the most popular spot with Lynn Chapman, Karen Clements, and John Meyers who stayed in various areas of the country. Ellen Brant's home base was Holland, but she was fortunate enough to travel to a number of other European countries. Peggy Gerrits resided in Finland and also traveled through other European countries and Russia as well.

Spanish Trip

Madrid, Spain was the destination for several members of the Spanish classes during the Spring Vacation. The group spent nine days visiting Madrid, Toledo, Avila, and Segovia. Some of the most interesting places visited were the Roman aqueducts at Segovia, the walled city of Avila, the Alcazar - one of Spain's most picturesque castles, the famous Prado Art Museum, the Royal Palace, and the beautiful cathedral in Madrid called El Escorial.

In addition to sight-seeing, the group had spare time for individual activities and enjoyed shopping, riding buses and taxis and eating in a variety of restaurants.

66

French Club

The French Club took an exciting trip to Quebec, Canada over the spring break. They stayed at the Victoria Hotel during their trip. They visited such places as the Convent des Ursulines (Ursuline Convent and Museum). They took the Traversier (ferry) and got a beautiful view of the lighted city at night. They visited some places outside of the city, also. They visited the copper shop, St. Anne de Beaupre (a cathedral), and the students who went said they enjoyed it very much and would like to do it again sometime. The students had the chance to use some of their French, and they all did very well. They said it was an exciting and relaxing trip.

Effort And Desire Lead To Victory

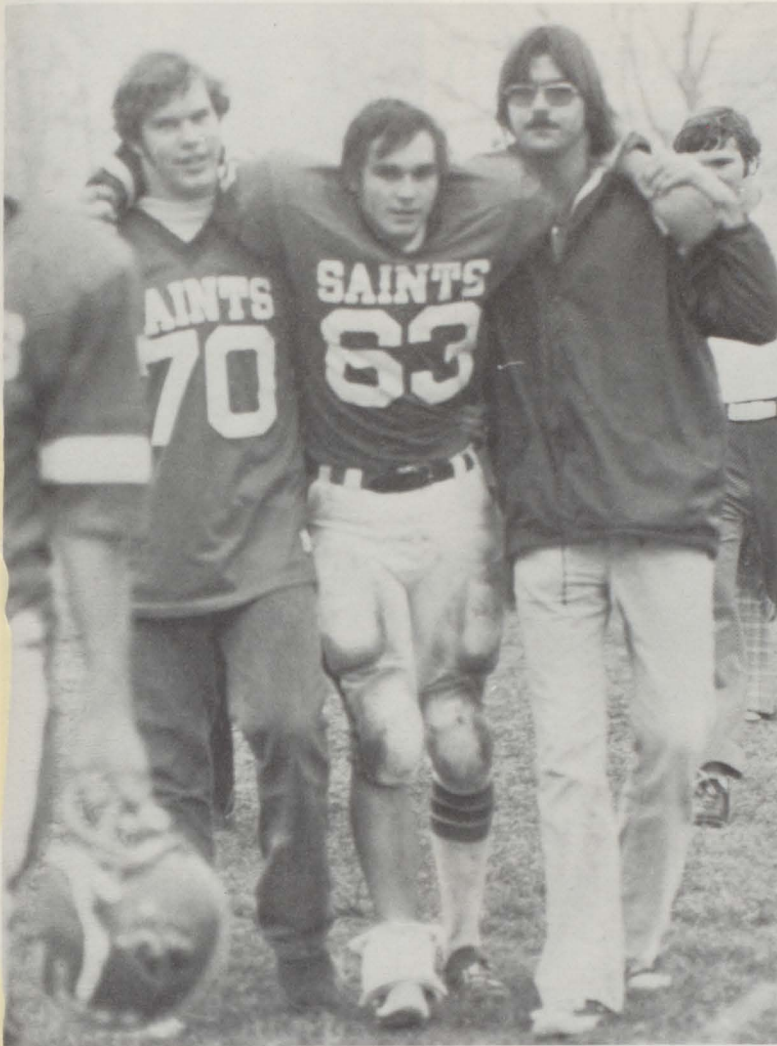

80

A group of great guys worked together as a team with spirit and Mr. Witukiewicz and Mr. Mallwitz knew it. Coach Ben drilled fundamentals and techniques and developed a strong offence and tough defense. In many games effort and desire alone put them on the road to victory. With the assistance of the team's captains, Gerry Grill and Jerome Metz, the team played together and handled the ball well. Out of thirty four league teams, our team ended up fifth in the all area rating, with a record of five wins and four losses.

UPPER LEFT: Coach Witukiewicz watches with concern. UPPER RIGHT: Gary Blanchard leads the way for Jerome Metz. RIGHT: Wayne Hoover eludes defender from Port Huron Central.

Athletes Honored For Achievements

Many athletes contributed their fine skills and best effort during the 1974 football season but there are a few that stand out for their individual achievement. Among these are: Jerome Metz, Gerry Grill and Clark Attebury. Jerome Metz and Gerry Grill made All League and All Area. Clark Attebury was honored with Most Valuable Defensive Lineman along with making All Area. Mr. Witukiewicz awarded Daniel Bolla for Most Improved player. Jerome Metz was voted Most Valuable Player.

Cross Country: "Off And Running"

"There's more to it than just running," says Mr. Albrecht of the Saints' Cross Country Team. It takes endurance and stamina. Although our team was small, they did a good job in competition this year. Phil Klemp was awarded the Coaches Award and John Meyers received the All Area Award. Starting early and practicing hard, the team entered their first meet in condition and looked good in taking the meet against Capac. Last season, the sport had been in danger of extinction through a lack of student and public interest. This year's squad brought back that determination which produces winning teams.

St. Clair's JV Football team ended the season with a dismal 2-5 record. Their poor season was due to many serious injuries to some key players.

Mike McCartney and Bob Frantz suffered minor concussions. John Starr had a broken wrist and a torn calf muscle. Gordon Sharrow tore a ligament and Rick Nemeth, defensive halfback, played only one game because of a broken wrist.

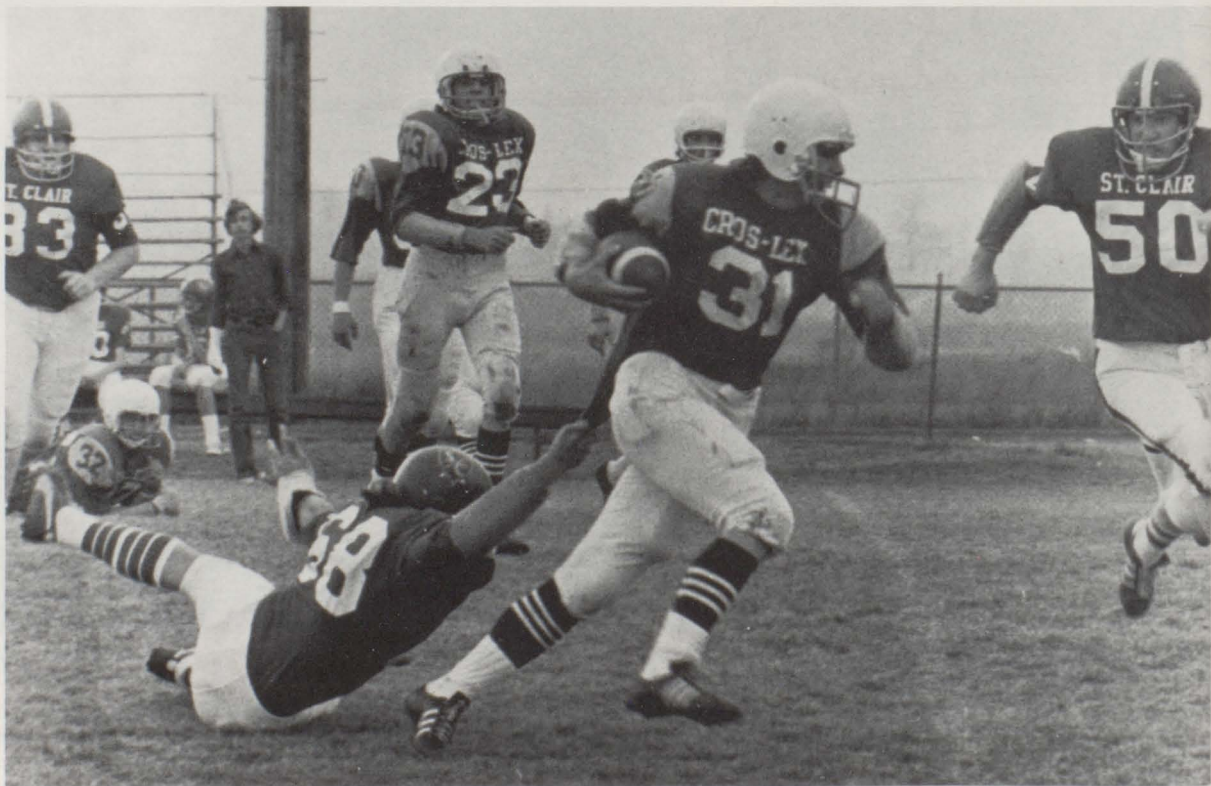

The team picked Mike Cedar as Honorary Captain for the year. He was also Best Defensive Player. John Starr was chosen for Best Offensive Player.

"Despite the team's record, this was a fine football team," said Coach Craze.

Experience Builds Winners

JV Girls Basketball Takes League Title

This was the year for girls when it came to basketball. Out of 15 games, the team won 14 times. Just once they met defeat against St. Clair's rivals, Marysville. With this record, they were out in front throughout the season.

Mrs. MacLean said, "They are just great. I really enjoyed working with them. They had great desire to win as a team." Coach MacLean has been coaching basketball for two years, her first year she spent her time working with the Varsity.

Each week there was a different team member for captain. Tammy Barshaw, Kelly Walker, Sue Slis, Joanne Pavlov, Kim Cook, and Sandy Fleury all had an opportunity to be captain for a game.

Kim Cook and Sandy Fleury played best defensive basketball. Joanne Pavlov, Tammy Barshaw, Sandy Fleury, and Kelly Walker were close behind. Coach MacLean said, "Cook was probably most valuable but it's hard to say. They were all even and played as a team."

Coach MacLean added, "It's only my second year of coaching. I've gotten to know the girls better. They worked and practiced hard as a team yet had fun."

Girls' Basketball Team Has Winning Season

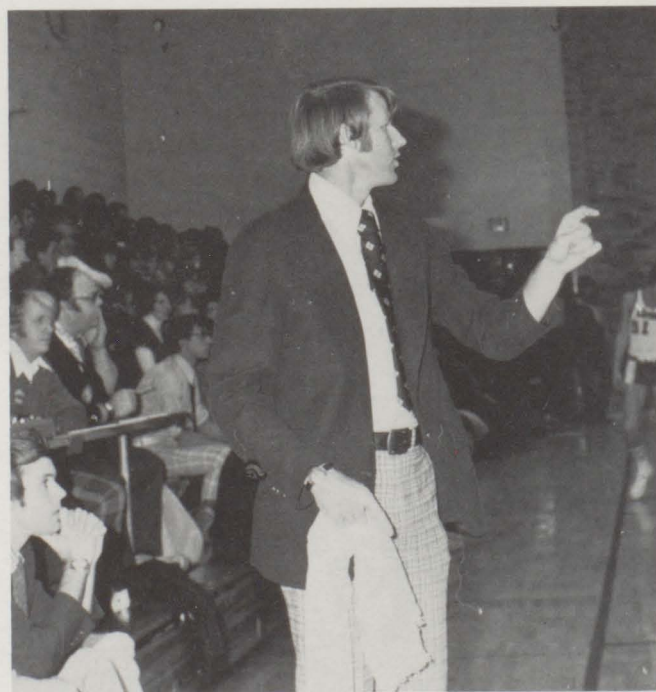

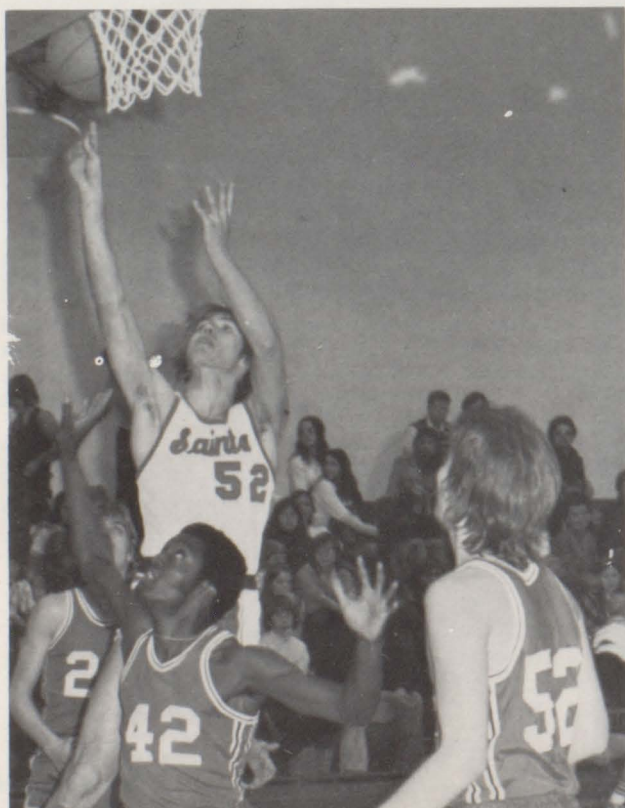

The Girls were not number one. They sure did try hard but settled for third place in the league. Beginning with much enthusiasm, the girls worked very hard throughout the season. The season ended with 10 wins and 8 losses.

Saints Build For Future

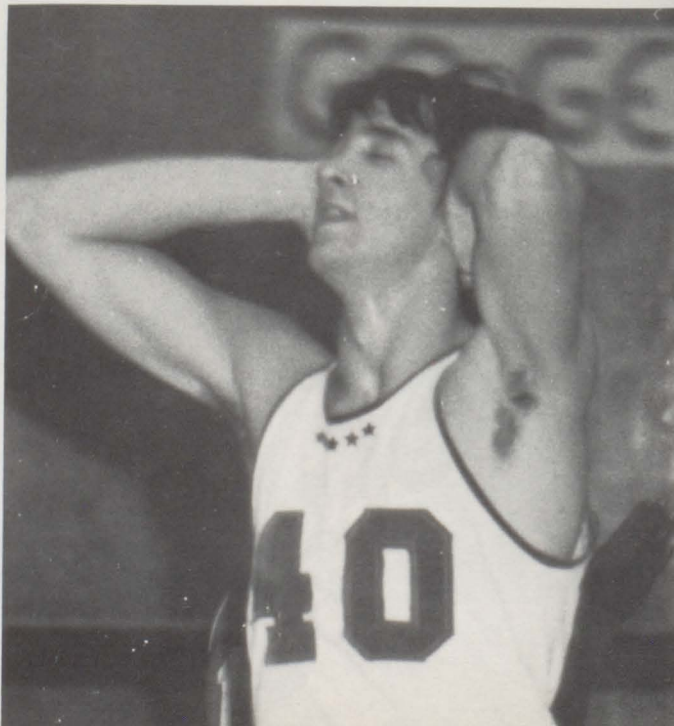

Ups and downs are all part of the game as coach Al Inkala sure found out. Plagued by inexperienced players, injuries and lack of height, he struggled through his first year as varsity basketball coach at St. Clair High. The Saints did not have the best of luck this year but despite the low season the Saints came considerably close to winning many of their games. The players never gave up spirit whether they won or lost and this factor was much appreciated by many fans. Our team showed much home court poise but road game wins were few and far between. Mostly seniors sparked the starting line up. John Meyers and Don Edgette demonstrated their fine athletic quality and good sportsmanship. Although we had a 7-12 record, our team showed improvement and with many of the juniors returning the outlook for next year is a winning season.

Hard Work, Tough Wrestling Make Enjoyable Season

92

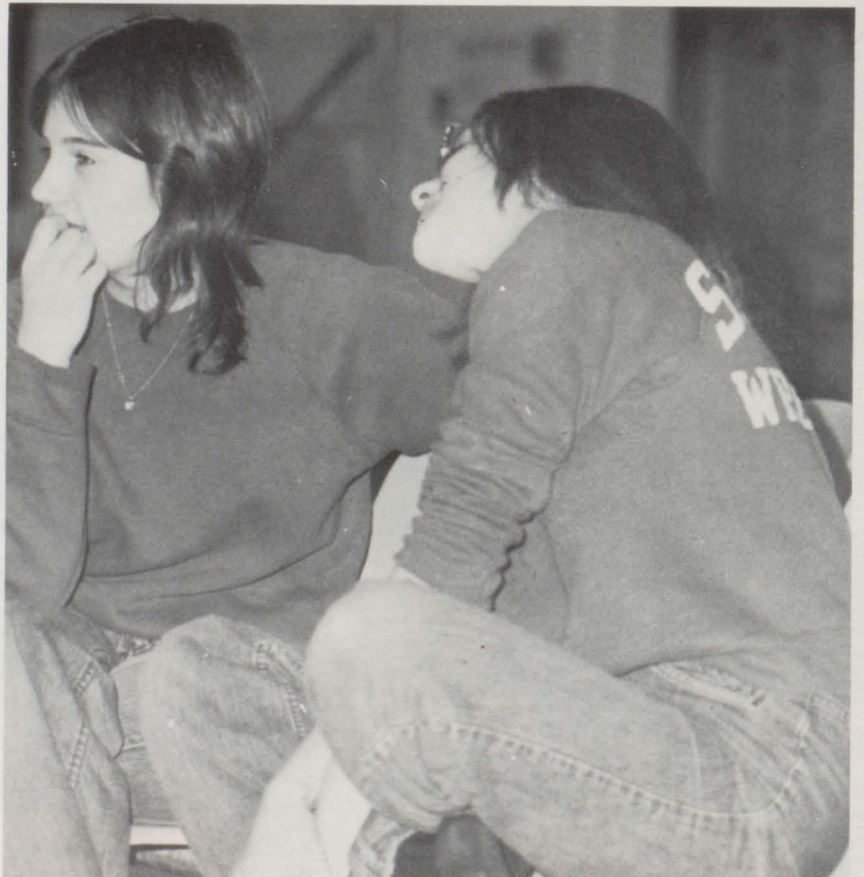

What does Marcus Welby have to do with the Saint's wrestling team? Nothing, but Coach Roberts could have used his help at times. Several wrestlers were injured during the season, which severely handicapped our young team.

Our team record of 4 wins and 11 losses may not seem impressive at first glance, but take into consideration the age and inexperience of our team and you have got to admit it was a great year.

Our new coach, Art Roberts, has put new life into wrestling at St. Clair High, has heightened community awareness, and found two pretty girls to be managers and six others to cheer them on to victory.

We regret the loss of our two senior wrestlers, Mark Van Tiem and Harold Hansel. Jeff Brandt, a junior, finished third at the Regional Tournaments. He has even higher aspirations for next year.

The team participated in the first annual St. Clair Area League Volleyball Tournaments held at PHC. The girls won two games against Cros-Lex which gave them their first victory match. Then they went on to play Marysville in the semi-finals, but were defeated.

The girls improved during the season and showed that volleyball is a sport of the future.

Girls Begin New Tradition At SCHS

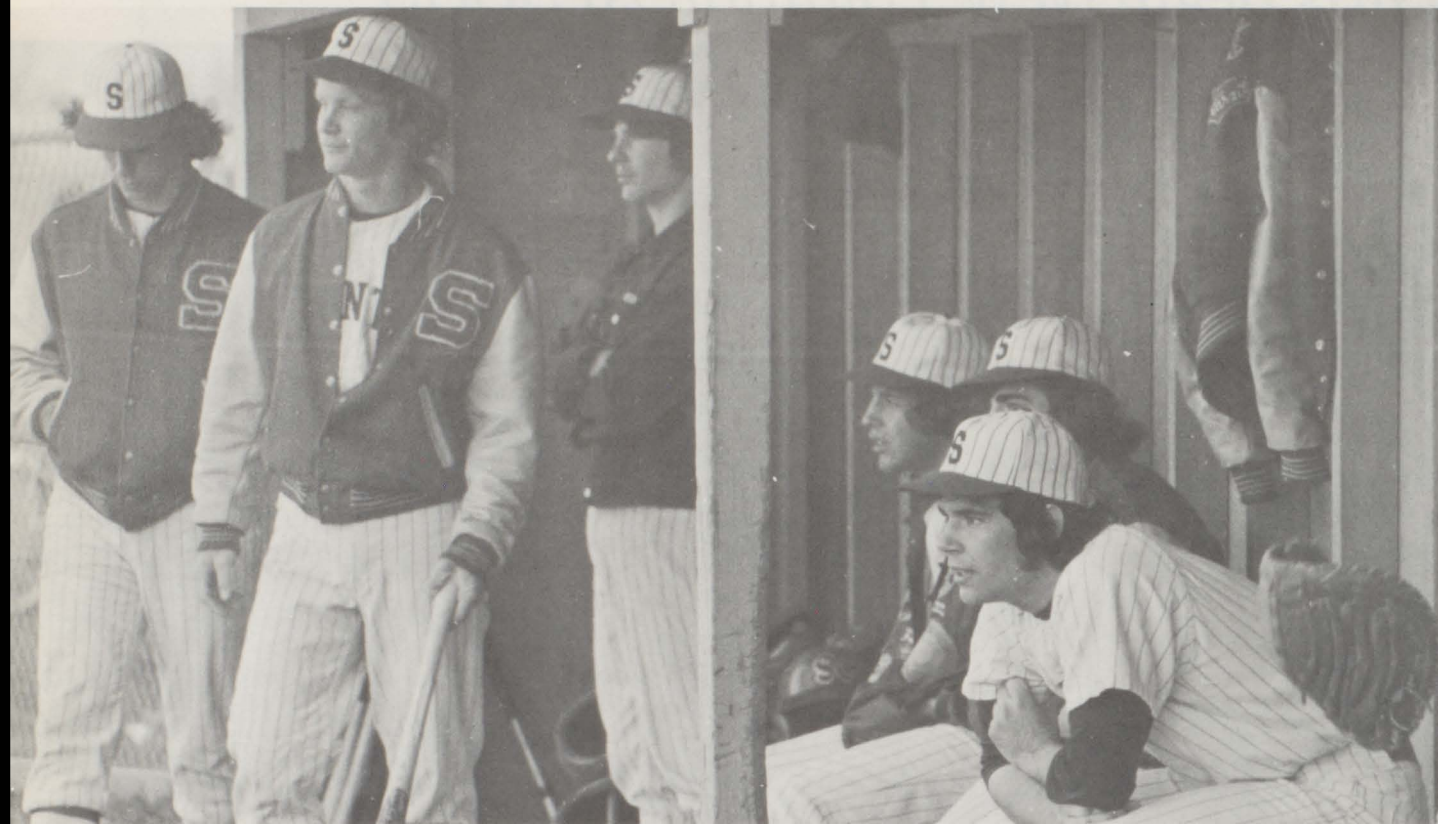

Coach McClain and her Saints competed for the first time this season in the St. Clair Area League. The team exhibited great talent for the upcoming season.

Despite the 5-5 record, the girls were determined and spirited each and every game.

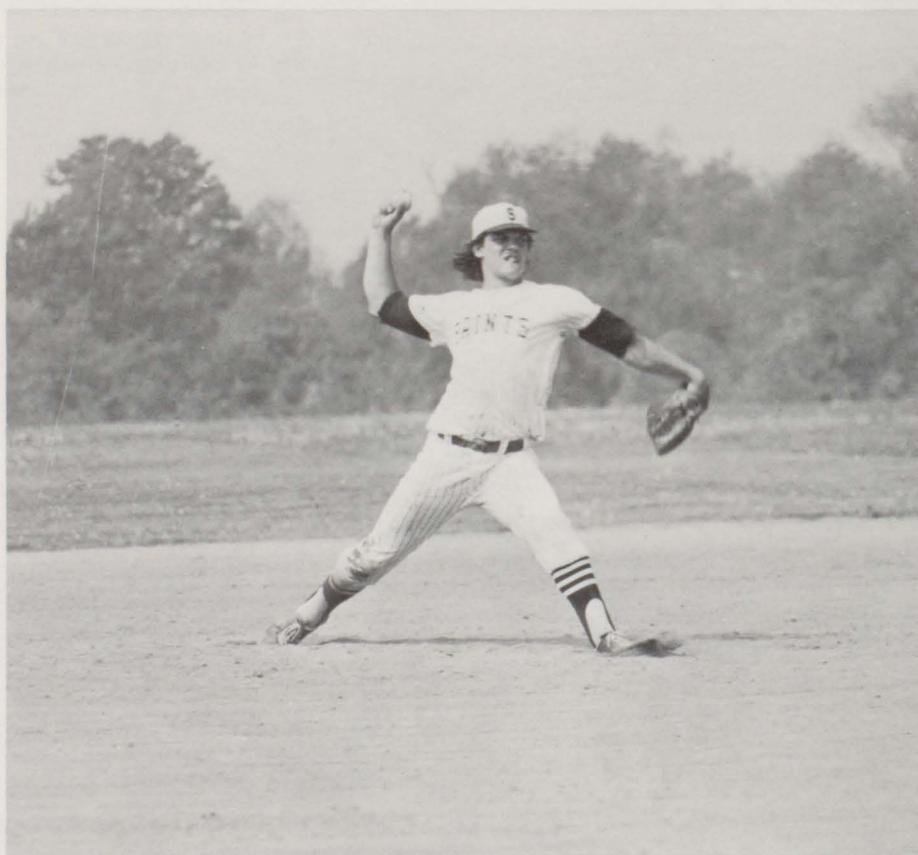

TOP: Micky Green races toward first base. BOTTOM: Robin Galasso sends in a spinner.

CLASS MOTTO:

For yesterday is but a dream,
And tomorrow only a vision.
But today, well lived,
Makes yesterday a dream of happiness
And every tomorrow a vision of hope.
